

In accordance with government and local authority guidance:

<p>Should my child self-isolate or miss school?</p> 	 <p>NO</p>	<p>All children MUST attend school unless they are ill. From 16th August 2021, children under 18 (or double vaccinated adults) do not need to self-isolate if a member of their household or a contact has COVID. Instead, they will need to book a PCR test but can continue coming to school so long as the test result is negative and they are well enough to do so.</p>
	 <p>YES</p>	<p>If your child develops COVID symptoms at home, they should <u>stay at home</u> and should book a PCR test, <u>NOT</u> a Lateral Flow Test. If your child develops COVID symptoms at school, they will be sent home and you should book them a PCR test. If your child tests positive for COVID, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated - but instead should book a PCR test.</p>

Community COVID Risk	Description	Action
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> There have been no cases of COVID within school for 10 school days. Cases of COVID locally are low and/or stable. Hospitalisations/Deaths due to COVID nationally are low. 	<p>NO COVID measures are necessary beyond:</p> <ul style="list-style-type: none"> Reminding children of good hand and respiratory hygiene. Good levels of ventilation in place where practical. Ensuring children/staff to stay at home if they have COVID symptoms (and to book a PCR test) <p>Staff will continue to test themselves using Lateral Flow Tests twice a week until the end of September or otherwise as advised by the government.</p>
 <p>Rapidly Rising Community Transmission</p>	<p>No current COVID cases have been recorded at school, but...</p> <ul style="list-style-type: none"> Cases of COVID are rising rapidly in the community causing disruption to other local schools. Cambridgeshire Public Health/Public Health England issue warnings of expected local/national infection wave. 	<ul style="list-style-type: none"> Ventilation of classrooms increased & hand-washing supervised. Large indoor public performance audience numbers reduced. Staff room capacity is reduced. Whole school assemblies are replaced with 'online' assemblies. Extremely clinically vulnerable staff meet with line managers to review their Individual Risk assessment and discuss additional protection (e.g. use of face coverings, reduction in movement between classes/groups).

Number of Cases	Description	Actions
 <p>A single child tests positive</p>	<ul style="list-style-type: none"> A single child tests positive for COVID in a class. There are fewer than 5 cases in the school. 	<ul style="list-style-type: none"> The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it. The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. Likely contacts will be contacted by NHS Track & Trace and advised to book PCR Test. The school will contact parents to advise this if close contacts are known. Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have COVID symptoms.

Number of Cases	Description	Actions
 <p>5 or more children or staff within the school test positive within 10 days of each other. OR 3 children or staff in a single Class/Club within 10 days.</p>	<ul style="list-style-type: none"> There have been 5 or more cases of COVID across the school within 10 days which could mean that COVID is spreading within the setting. 	<ul style="list-style-type: none"> As above for each positive case. The school will discuss the outbreak with Cambridgeshire and Peterborough Public Health and agree strengthening protective measure for 10 school days. Including: <ul style="list-style-type: none"> Re-introducing staff face masks for corridor and communal areas. Adapting, limiting or postponing indoor sporting events, trips, open days and performances. Reverting to video-link Assemblies in classrooms. Reducing the amount of classes staff work across. Resuming twice weekly staff lateral flow testing (if it has stopped).
 <p>COVID cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> Despite the measures indicated above, COVID cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that COVID is spreading widely throughout the school. 	<ul style="list-style-type: none"> Incident Management Team meeting held between the school and Cambridgeshire and Peterborough Public Health to agree further measures, for a further 10 school days, including: <ul style="list-style-type: none"> Re-introducing class bubbles. Reverting to class-based lunches. Limiting all non-essential visitors to school. Postponing all non-essential events. Re-introducing remote learning for individual classes for 10 school days.

The school will inform parents of any changes to COVID measures should these be
