

Here are just a few of the things we will be up to in the summer term in Robins

Personal, Social, Emotional Development

Working together

Working together like a team to transform the classroom into another world and:

- caring for the environment
- learning respect for our seas, water ways
- caring for creatures that live in water
- working together as a group to solve "crises"
- learning about people who live far away on other islands
- learning the art of cooperation and negotiation

Mathematics

Playing with mathematics

Choosing to practise ideas independently

- using, saying, ordering, writing numbers to 100
- counting to 100 and beyond
- ordering numbers to 20 and beyond
- addition and subtraction by counting on and back
- symmetrical patterns
- counting in 10s, 2s and 5s
- telling time to o'clock and half past times
- using money, beginning to give change
- halving, sharing, doubling
- measuring really big things and reasoning about these

Language development

Reading independently and... solving problems

- role playing in our coral beach, pirates' ship, turtle conservation area
- using language for communication, problem solving
- blending to read words
- spelling words for stories, signs and labels:
- spelling some tricky words
- handwriting activities
- beginning to write stories remembering finger spaces, full stops and capitals
- revision and consolidation of all sounds and letter names in Phase 3 and beginning Phase 4

Knowledge and understanding of the world

Learning about bird life...

Building fires and...

- the sea and other water ways including our river
- emailing "buddies" in Bermuda to find out about coral reefs and the sea near them
- magnetism
- marine dinosaurs
- a river cruise on *The Ladybird* (details to follow)
- numerous trips to our river and meadows, surrounding village, church
- charting the development of caterpillars and tadpoles

Physical

Using tools

- tennis skills and other ball skills
- athletic skills
- P.E. will mostly be outdoors
- using tools to make boats...

PLEASE REMEMBER TO DRESS FOR THE WEATHER!
ON SUNNY DAYS SUN HATS, SUN CREAM AND WATER ARE A MUST. PLEASE REMEMBER TO SEND YOUR CHILD IN WITH SUN CREAM ALREADY APPLIED.
