

Physical Education and Sport

At Houghton Primary School we love sport. We ensure that every child has the opportunity to participate in at least 2 hours of physical education within the curriculum every week. We also provide a variety of extra-curricular sporting activities and participate in competitions with other schools. We achieved the Gold Award in the national School Games initiative in 2016. https://www.yourschoolgames.com/your_school/sainsburys-school-games-mark

Certificates for Bronze, silver and Gold Triathletes

Using the village tennis facilities in our lessons

Sports Day 2016
